Sales & Marketing Officer

Posted 1 hour ago

Engocha Technologies Addis Ababa, Ethiopia

We are looking for an energetic, confident, and results-oriented Sales and Marketing Officer to promote our IT solutions and services to businesses.

Qualifications and Experience

- 0–3 years of experience (recent graduates are encouraged to apply)
- Diploma or Bachelor's Degree in Marketing, Sales, IT, Business Management, or any other relevant business-related field. (Female candidates are particularly encouraged to apply.)
- Previous experience in sales, marketing, customer service, or business development is an advantage.

- Candidates with strong communication skills and a proactive attitude are encouraged to apply, even with limited experience.
- Experience selling services or technology solutions is an added advantage.
- The ideal candidate is outgoing and comfortable approaching new people, introducing our company, and speaking with business owners and decision-makers.

Key Responsibilities

- Visit prospective customers, including shops, pharmacies, clinics, and other businesses, to introduce our IT solutions and services.
- Identify potential clients and reach out to business owners, managers, and decision-makers.
- Contact prospects and existing customers through phone calls, WhatsApp, email, social media, and in-person meetings.
- Understand customers' business challenges and explain how our solutions can address their needs.
- Arrange presentations, demonstrations, and meetings with the technical team.
- Follow up on inquiries, proposals, and previous discussions to secure sales.
- Build strong customer relationships and identify opportunities for additional services and referrals.
- Maintain accurate records of leads, customer conversations, follow-ups, and sales activities.
- Work toward agreed sales targets and provide regular progress reports.
- Collect customer feedback and share market insights with the team.

Required Skills and Qualities

- Confident in approaching people and starting conversations without waiting for customers to make the first move.
- Strong communication, listening, persuasion, and negotiation skills.
- Comfortable making outbound calls and conducting regular business visits.
- Self-motivated, organized, persistent, and able to work independently.
- Able to handle rejection professionally and continue following up respectfully.
- Comfortable using smartphones, WhatsApp, email, social media, and basic computer applications.

- Willing to learn about IT solutions and explain their benefits in clear, simple language.
- Good spoken and written Amharic; working knowledge of English is an advantage.

How to Apply:
